*Marina Court, Castle Street, Hull, England, HU1 1TJ*

### VISITING A NOTARY PUBLIC AND OUR TERMS OF BUSINESS

**1. Why a notary?** It is almost always the case that you have been asked to see a notary because you have a document that needs to be used abroad. Seeing a notary is never a mere rubber-stamping exercise. The international duty of a Notary involves a high standard of care. This is not only towards the client but also to anyone who may rely on the document and to Governments or officials of other countries. These people are entitled to assume that a Notary will ensure full compliance with the relevant requirements both here and abroad; and to rely on the Notary's register and records. Great care is essential at every stage to minimise the risks of errors, omissions, alterations, fraud, forgery, money laundering, the use of false identity, and so on.

We offer appointments during business hours and occasionally outside of business hours in exceptional circumstances. We may be able to make home visits or visit corporate clients at their place of business. If the notarial appointments take place outside of our office we will make an additional charge to cover travelling time and expenses. Occasionally we may not be able to see you within the timeframe you require, or we may decide that we are not able to act for you in which case we will advise you that that is the case and will provide you with the necessary information to locate an alternative notary.

**2. Signatures:** The Notary should normally witness your signature. Please do not sign the document in advance of your appointment with us.

**3. Papers to be sent to us in advance:** It will save time, expense and mistakes if, as long before the appointment as possible, you can let us have the originals or photocopies of:

- The documents to be notarised;
- Any letter or other form of instruction which you have received about what has to be done with the documents;
- Your evidence of identification.

**4. Identification:** we will need you to produce by way of formal identification the original of (in preferred order):

- Your current passport (or, if not available);
- A current new driving licence (with photo) or national identity card

If neither of the above are available, at least **two** of the following

- A current government or police issue certificate bearing a photo or other formal means of identification;
- A utility bill, credit card or bank statement showing your current address which should not be more than 3 months old or council tax bill;

You must also bring any other means of ID which may be referred to in the papers sent to you as being required such as a foreign Identity Card. We may also ask to see further evidence of identity such as marriage certificates etc and will advise you of this if necessary.

**Please note** that identity checks which we are required to undertake in respect of all clients are currently carried out by means of an online service provided by SmartSearch. Save in exceptional circumstances you will be required to complete the SmartSearch client verification process through your mobile phone or personal computer.

5. **Proof of names:** In a case where the name on the document is different from the name you are currently using, or there has been a variation in the form of spelling of the name over the years, please provide us as appropriate with Certificates of Birth, Marriage or Divorce Decree or Change of Name Deed showing all the different names that you use. If there has been a change of name, then we will need to see a copy of the Deed Poll or Statutory Declaration which dealt with it.

6. **Advice on the document:** If you bring a document to us for authorisation as a Notary, we will advise you as to the formalities required for completing it. However, we will not be attempting to advise you about the transaction itself.

7. **Written Translations:** It is essential that **you understand what you are signing.**

- If the document is in a foreign language which you do not understand sufficiently, we may have to insist that a translation be obtained. If we arrange for a translation, a further fee will be payable and we will provide you with details of this.
- If you arrange for a professional translation, the translator should add his/her name, address, relevant qualification, and a certificate stating: **“Document X is a true and complete translation of document Y, to which this translation is attached.”**

8. **Oral Interpreter:** If you and the notary cannot understand each other because of a language difficulty, we may have to make arrangements for a competent interpreter to be available at our interview and this may involve a further fee.

9. **Companies, Partnerships etc:** If a document is to be signed by you on behalf of a company, a partnership, a charity, club or other incorporated body, there are further requirements on which we may have to insist. Please be prepared for these and telephone with any point of difficulty before attending on the appointment.

In each case:

1. Evidence of identity of the authorised signatory (as listed above).
2. A copy of the current letterhead (showing the registered office if it is a company).
3. A Letter of Authority, Minute, Resolution or Power of Attorney, authorising you to sign the document.

**Additionally, companies: Certificate of Incorporation and of any Change of Name, a copy of the Memorandum and Articles of Association, Details of Directors and Secretaries. In all instances we will be carrying out various company searches, which may have an effect on the level of fees charged.**

**Additionally, partnerships, clubs, etc: A Partnership Agreement; or relevant Trust Deed; or Charter; or Constitution/Rules.**

10. **Notarial charges and expenses:** Details of our charges are set out below. Please note that if we have to make payments on your behalf such as legalisation fees, translator or interpreter fees, or other costs such as travelling expenses, your approval to these will be obtained and you may be required to make payment in advance of any such amounts.

**Charges:**

If the matter is simple we will endeavour to charge a fixed fee to include disbursements such as legalisation fees, postage, consular agent fees, courier fees, travelling expenses, translating costs and so on. VAT is payable on our fees.

For more complicated or time-consuming matters the fee will be based on our hourly rate of £300.00 subject to a minimum fee of £200.00, plus disbursements and VAT. The fee charged may include time spent on preliminary advice, drafting and preparation time, making and receiving telephone calls, correspondence written and received in all formats, arranging legalisation and record keeping.

**Disbursements:** Some documents require legalisation before they will be accepted for use in the receiving jurisdiction by obtaining an apostille through the UK Foreign and Commonwealth Office and, for some countries, additional legalisation is required through the relevant embassy or consulate. The typical cost of legalization by means of an Apostille issued by the United Kingdom Foreign, Commonwealth and Development Office, including agent's fees and postage to and from the legalising authority, is approximately £50. The cost of posting the documents to you/another person by signed for post or courier will be confirmed to you by us. Travelling fees will be charged at £0.45 per mile and the above specified hourly rate.

Payment can be made by cash or cheque or otherwise as specified on the invoice which we will issue to you. Payment of our fee and disbursements is due when the document has been prepared which in certain circumstances we may retain pending payment in full.

Occasionally unforeseen or unusual issues arise during the course of the matter which may result in a revision of our fee estimate. Examples of this could include where additional documents are required to be notarised, additional translations or legalisations are needed to meet the requirements of the receiving jurisdiction, third party fees are adjusted to reflect external factors such as fuel price changes and so on. We will notify you of any changes in the fee estimate as soon as possible.

**11. *Typical Stages of a notarial transaction:*** Each notarial matter is different and the requirements and timescales will vary greatly according to whether the client is a private individual or a company and in particular according to the processing times of third parties such as the Foreign and Commonwealth Office, legalisation agents, translating agencies and couriers, etc. Some of the typical key stages are likely to include:

- Receiving and reviewing the documents to be notarised together with any instructions you may have received
- Liaising with your legal advisors or other bodies to obtain the necessary documentation to deal with the document (e.g. information from Companies House or foreign registries, powers of attorney etc)
- Checking the identity, capacity and authority of the person who is to sign the document
- If a document is to be certified, checking with the issuing authorities that the document/award is genuine. In the case of academic awards, this would entail checking with the appropriate academic institutions.
- Meeting with the signatory to verify their identity and to ascertain that they understand what they are signing and that they are doing so of their own free will and ensuring that the document is executed correctly
- Drafting and affixing or endorsing a notarial certificate to the document
- Arranging for the legalisation of the document as appropriate
- Arranging for the storage of copies of all notarised documents in accordance with the requirements of the Notarial Practice Rules 2019
